

Energy Express Volunteer Contract

As an Energy Express volunteer, you have an important role in the program. We are glad you will be helping us this summer.

Energy Express strives to ensure the safety and well-being of all participants. Therefore, all Energy Express volunteers are expected to:

- display respect, courtesy, and consideration to everyone at the site.
- follow directions given by site team members.
- assist the site in providing a positive experience for all participants.

In order to provide a positive experience and to ensure the safety and well-being of participants, Energy Express volunteers are asked to not return when they:

- refuse to meet the program's needs,
- display a negative attitude, or
- perform duties in an unsatisfactory manner.

In order to give the best possible experience to Energy Express participants, volunteers need to have all electronic devices turned off and placed out of sight when volunteering.

I understand the above statement and agree to be a positive participant in Energy Express. I have also read and understand the volunteer privacy policy.
